HTML CSS Javascript React

ABOUT ME

Hi, my name Jessica Pinto, I'm a Front-end Developer. I am a detail-oriented, organized, ethical, responsible, and self-motivated type of person. I love learning and working with others. I love people and helping people. And because of my determination I work hard and I don't give up easily when things get difficult. I am always looking for opportunities to improve on myself and my skills. I love my family, cooking, laughing, and traveling which has always been a big part of my life.

WORK EXPERIENCE

+1 year Experience in Coding

FRONT-END ENGINEER

CIS Networks

June - July 2022

Working as a freelancer in building wireframes and prototypes for the homepage for CIS Networks an IT company. I made a full redesign for the homepage, I also worked on SEO, as well as attracting new clients to the site.

Codecademy

2021- 2022

I took school for Front-end Engineering. I learned how to properly build websites and apps with HTML, CSS, Javascript and React.

ENVIRONMENTAL SERVICE

(Hospital in Switzerland) HOSPITAL d'ORBE

2020-2021

Working with a team to insure the safety of all patients and employees within the facility from contamination. Everything within the Hospital needed to be properly sanitized and agreeable with the health code.

ENGLISH INSTRUCTOR

FREELANCE

2019-2020

Working closely with clients to better understand the English language. My classes include grammar, sentence structure, correct articulation, and cultural appropriation.

ILLUSTRATOR

FREEIANCE

2014-2018

T-shirt designs paintings that were commissioned by several clients within my network. Designs were made in Adobe illustrator, and paintings were made by hand with acrylic paint.

COSMETOLOGIST

KATHY ADAMS SALON

2010-2013

Studied cutting, styling, and color. Building close relationships with customers. Salesperson for Redken hair product and a Receptionist.
