ABOUT ME

My name is Jessica Pinto, I'm a Front-end Engineer. My passion is to continue growing my Developer skills by searching for opportunities to learn from others. I have a background in illustration but have decided to pursue a more technical route with my creative and artistic background being an asset. I'm really passionate about learning, trying new things and I also love to cook as a hobby!

WORK EXPERIENCE

+1 year Experience in Coding

CODECADEMY

2021- 2022

I have completed my Front-end Developer course with Codecademy. I learned how to properly build Websites and making them function correctly but also that it is visually appealing to the users. My goal is to continue growing as a Developer and to look for opportunities to learn from others.

ENVIRONMENTAL SERVICE

(Hospital in Switzerland) HOSPITAL d'ORBE

2020-2021

Working with a team to insure the safety of all patients and employees within the facility from contamination. Everything within the Hospital needed to be properly sanitized and agreeable with the health code.

ENGLISH INSTRUCTOR

FREELANCE

2019-2020

Working closely with clients to better understand the English language. My classes include grammar, sentence structure, correct articulation, and cultural appropriation.

ILLUSTRATOR

FREEIANCE

2014-2018

T-shirt designs paintings that were commissioned by several clients within my network. Designs were made in Adobe illustrator, and paintings were made by hand with acrylic paint.

COSMETOLOGIST

KATHY ADAMS SALON

2010-2013

Studied cutting, styling, and color. Building close relationships with customers. Salesperson for Redken hair products and a Receptionist.
